

MARINETEK

ROLEC Ocean

As part of the Marinetek marina services package we are pleased to be in a position to offer the stylish new Rolec Ocean range of service pedestals. These pedestals are produced to an extremely high quality in 316L mirror polished stainless steel and are available in a variety of different formats and sizes. Each pedestal is equipped with a full length 316L stainless steel hinged lockable door allowing the switchgear and metering components to be safely housed internally. Illumination is provided using either conventional or LED style lighting emitted through company logos, marina name or berth details laser cut into the pedestal door, providing an individual and unique feel for each marina.

Options include:
LED lighting
Marina logos
Berth numbering
Wi-fi TV / TEL / Internet
Laser etching

SOS Ocean pedestals
Sanitation Ocean pedestals

Further details available upon request.

Marinetek operates a policy of continuous development and reserves the right to change specifications without notice.
